

Table Frame

The RH Table Frame is designed to support the RH Suction Table Worktop, RH Hot Suction Table and the RH Washing Tray and is a component of the RH Light Bleaching Unit. It is constructed of 304 grade stainless steel with a satin polished finish and joined by 8 hexagonal socket head screws for easy assembly. A screw adjustable foot on each leg gives a working height of 885 mm - 915 mm on the RH Suction Table Worktop. Alternatively the RH Table Frame can be supplied with castors instead of the screw adjustable feet, these give a working height of 900mm
